Creative discussions

- "What's on your mind - exchange of thoughts on evaluation challenges"
- *Aim: To exchange ideas, to discuss with each other and to make new contacts.*

Instructions for participants

- For 30 minutes:
 - Choose a station and join the discussion!
 - You are free to move between stations!
- Then it's time to summarize!

Themes

1. The user's perspective (Lisa)
2. Reflections from today (Hördur)
3. Methodological challenges (Marie)
4. Experiences on innovation (Kerstin)
5. Experiences on sustainability transitions (David)
6. Mixed thoughts (Björn)
7. Policy evaluation (Hans)

Summing-up

- "What was on your minds?"
 - The most urgent question in your group?
 - The most urgent thought?
- Thank you!
