

# Planning Clusters

A. It Options + Designs  
Neal's Group

B. Funding, Ownership, Sponsorship  
Katherine's Group  $\Rightarrow$  Delayed.

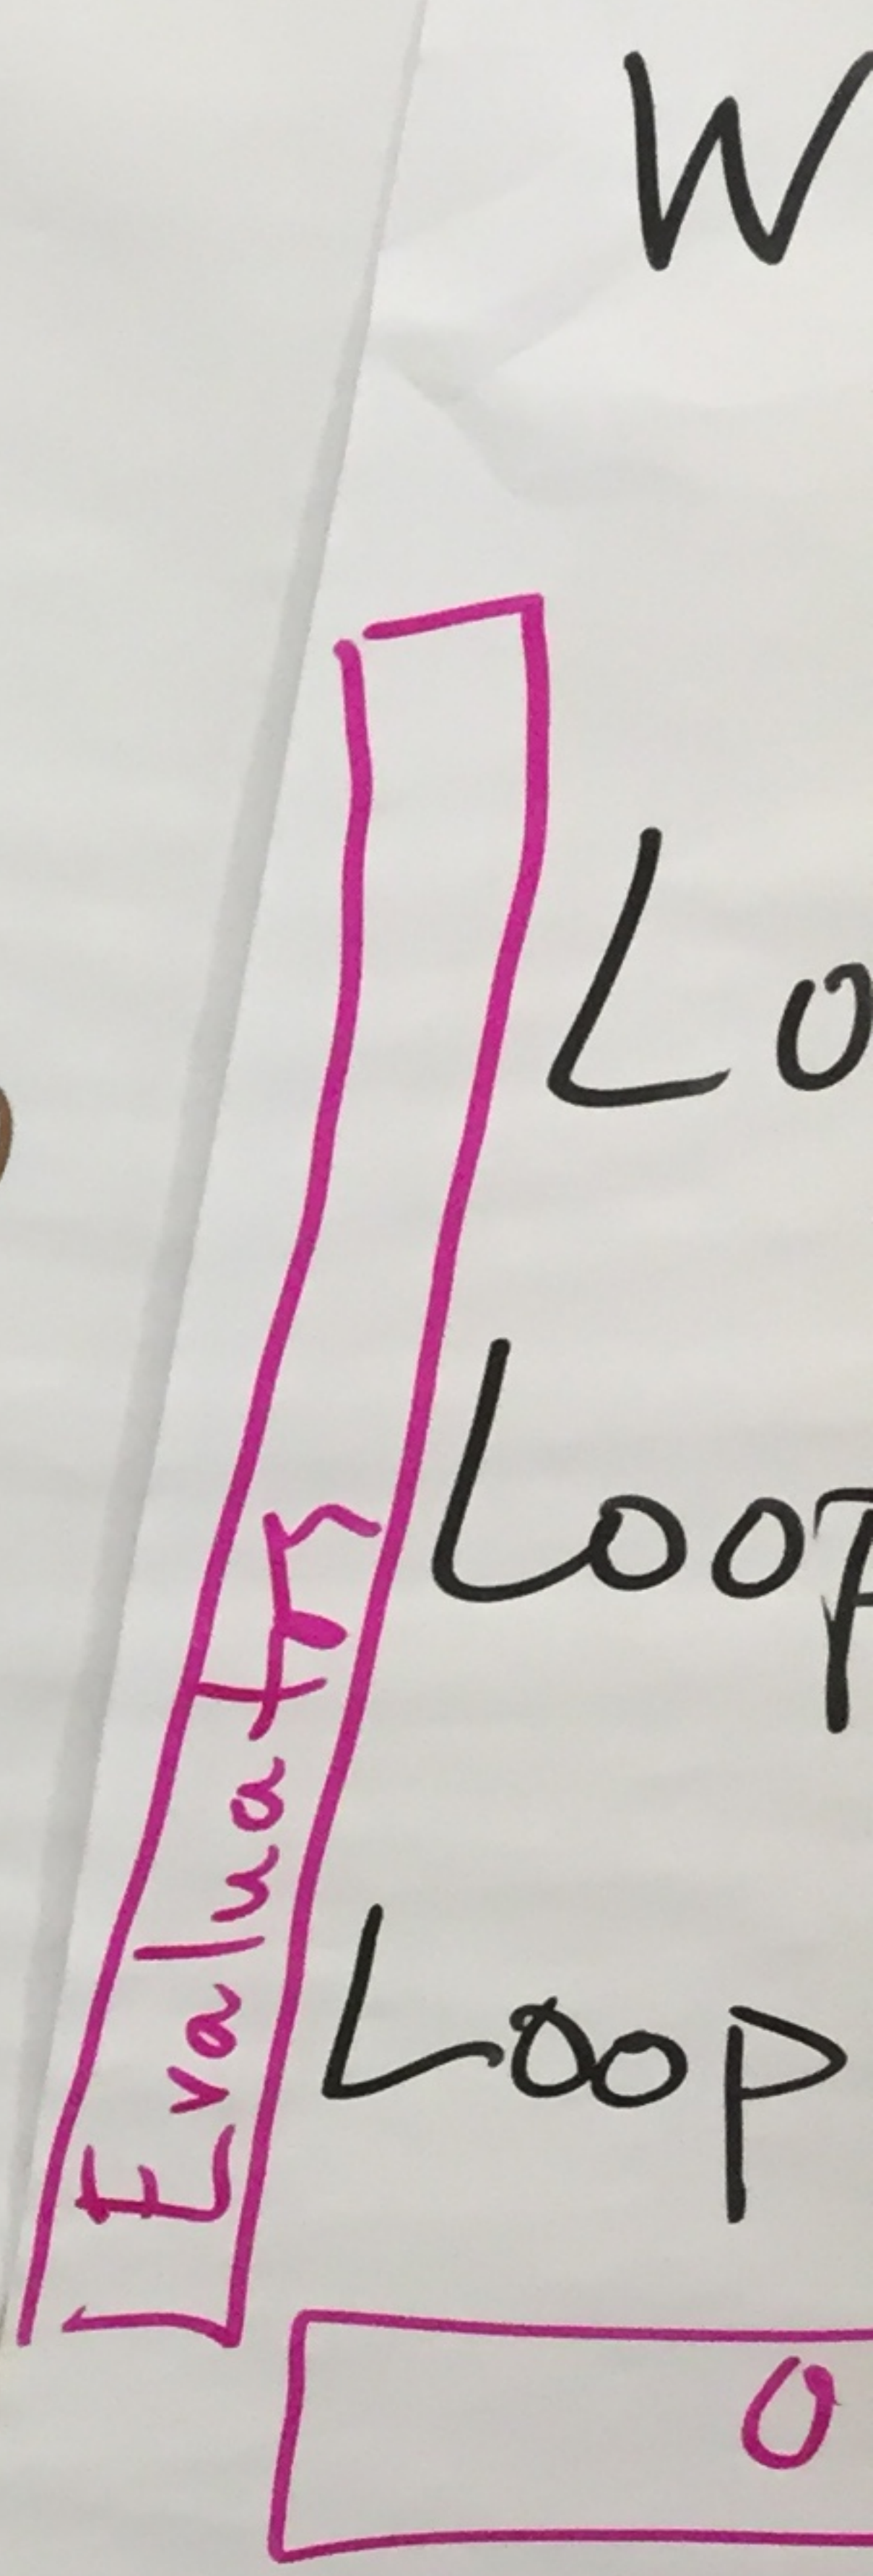

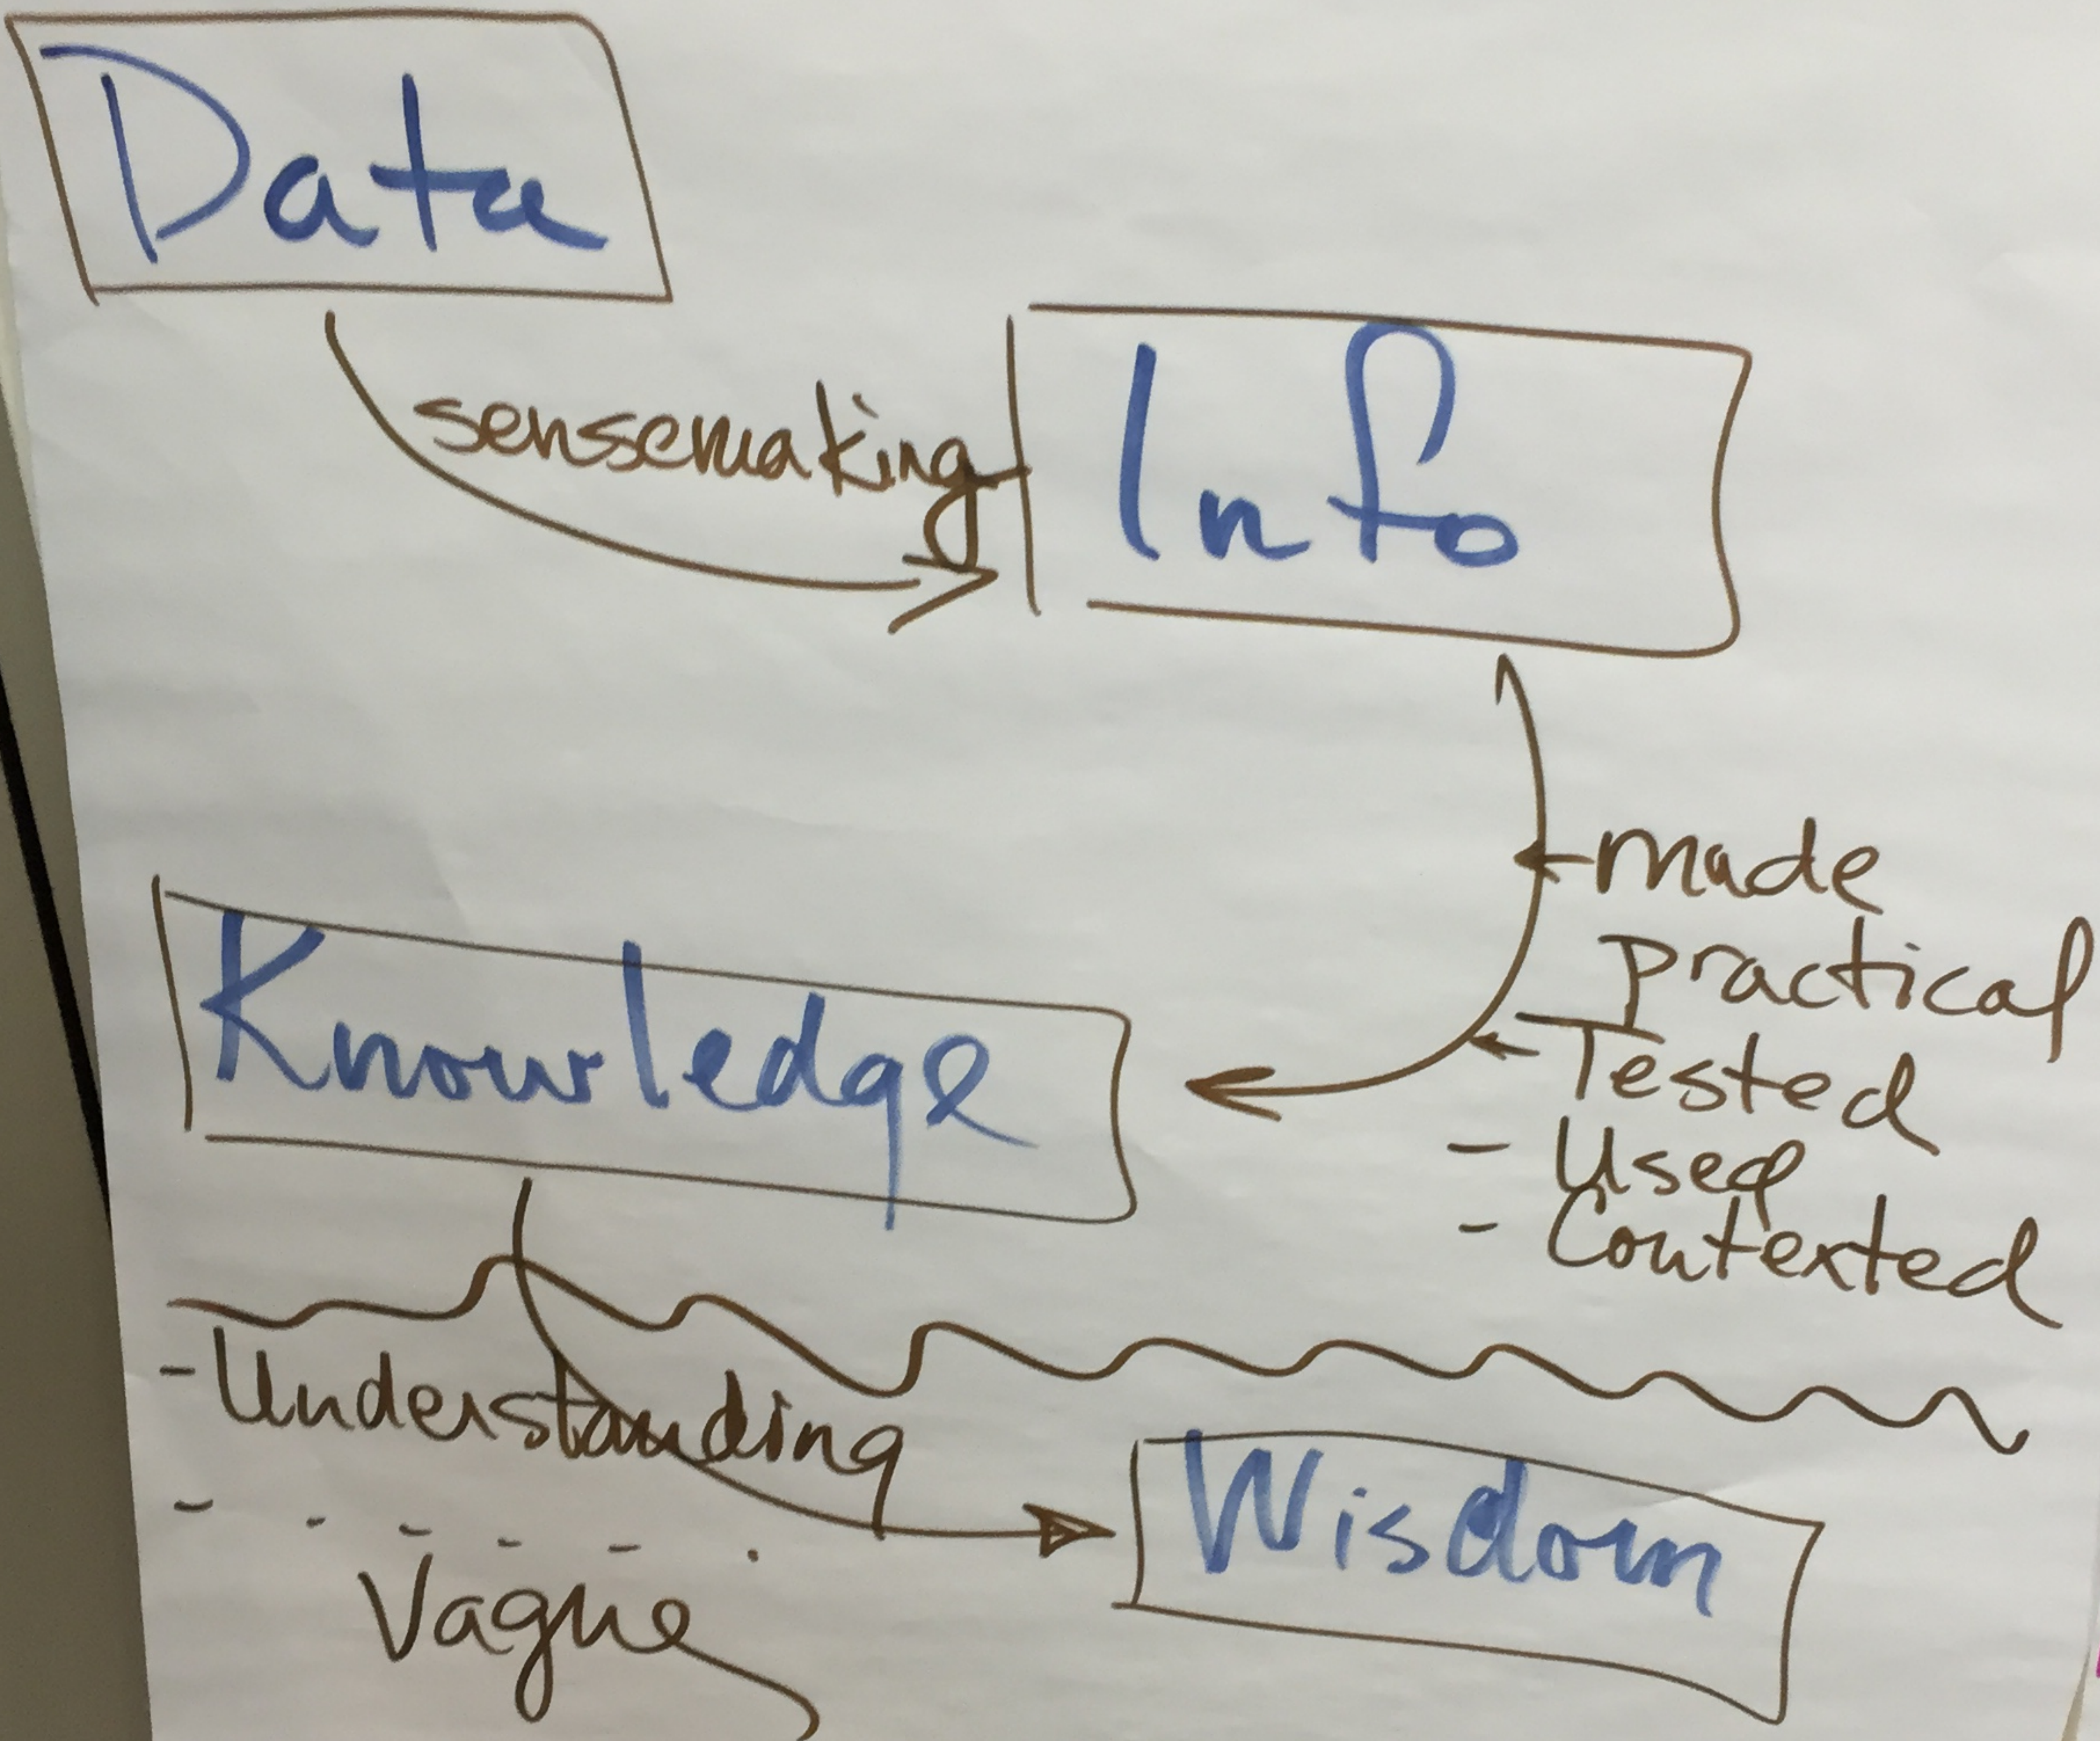

C. Value Proposition / Theory of Change  
Kent's Group.

D. Decision Making + Governance  
Kara's Group

E. Learning Community  
Eleanor's Group

F. Requirements + Content  
Johannes' Group

available to program leader

What is the "learning community"

EEN

Loop 3 Adaptive Design

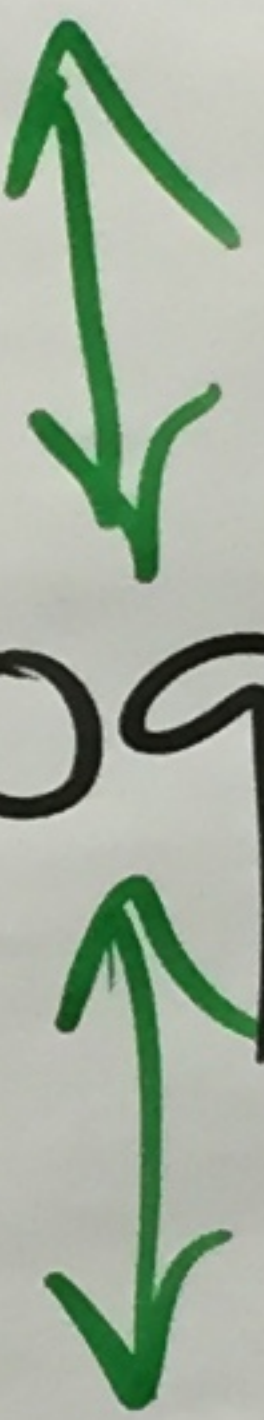

Loop 2 Dialogue

Loop 1 Blog

Evaluators

Users/Decision makers

Oversite Group

# Key similarities

How do you sustain?  
Accessibility?

UI

Standards

Added value =>

Stakeholder  
Sequencing

Key differences

What is it expected to do?

Learning/what & how?

Influence on policy?

Carrots/Sticks?

Reputation

Social Behavioral / Technical

Quality vs Comprehensiveness.

What is success?

- \* Global
- \* Quality /
- \* Compete / Complement
- \* Methods  $\Rightarrow$  Standards  
Outcomes  $\Rightarrow$  Assessment
- \* Market? size / needs
